To Whom It May Concern,

I am delighted to confirm that The Holiday Shop, Blackburn are hoping to raise vital funds for Teenage Cancer Trust, supporting the units and frontline staff who help young people with cancer.

We are really pleased to have their support and would love you to be involved in helping them reach their fundraising goal. Should you wish to send a donation, raffle prizes or support in any way please contact the team on 01254 727333.

Anything that you could offer to support the team with their fundraising would be greatly appreciated, but please note that any permissions for collections or donations of goods/services linked to the should be passed directly to the team at The Holiday Shop in Blackburn and not to us at Teenage Cancer Trust.

Young people with cancer need specialised nursing and emotional support, and Teenage Cancer Trust is the only UK charity meeting this critical need. Every day, seven young people aged 13-24 hear the words "you have cancer". It can throw their lives into chaos, and even for those who recover, it can have a lasting impact on their futures.

Without Teenage Cancer Trust, they might not get the clear communication, sense of control and individual support they need throughout a potentially life-threatening illness, and they might never meet another person their age who knows what they're going through. Teenage Cancer Trust is there to make sure young people don't face cancer alone.

If you'd like to find out more about Teenage Cancer Trust, please do feel free to contact me directly by emailing chloe.walker@teenagecancertrust.org or by calling 07908 432773

With thanks and best wishes,
